

Brookstreet Receives Two CAA/AAA Four-diamond Ratings for Fourth Consecutive Year

OTTAWA, Ontario, Canada – April 2, 2007 – For the fourth consecutive year, Brookstreet received the prestigious CAA/AAA four-diamond rating for both hotel and its Perspectives Restaurant. Brookstreet is the only hotel in Ottawa to be recognized with two four-diamond ratings; four Ottawa hotels obtained the four-diamond rating in 2007 and Brookstreet's Perspectives Restaurant is one of two in Ottawa to boast the distinction.

“When we opened in 2003 we made a commitment to creating sensational experiences for our guests. Receiving the two four-diamond ratings for the fourth year in a row as well as other distinctions confirms our commitment and rewards our efforts. We are proud of our achievements,” comments Executive Vice-President and General Manager, Patrice S. Basille.

Brookstreet received its first CAA/AAA four-diamond rating only three months after opening in June 2003, the first of several accomplishments in its short history including being named Ottawa Tourism's New Company of the Year in 2005, Ottawa Tourism's Large Company of the Year Finalist in 2006, Ottawa Chamber of Commerce's Bronze Company of the Year in 2006 and receiving the Hotel Association of Canada's Human Resources Award of Excellence in February 2007.

Perspectives Restaurant at Brookstreet has its own list of achievements in addition to the CAA/AAA four-diamond rating: Wine Spectator Award of Excellence for three consecutive years, one of Canada's 50 Best New Restaurants in enRoute Magazine in 2004, Epicurean Awards in 2003 and 2004, Ottawa Gold Medal Plate Culinary Competition Gold Winner in 2006 and National Gold Medal Plate Culinary Competition Silver Winner in 2007.

About CAA/AAA Diamond Ratings

Every year CAA/AAA evaluates and rates 60,000 lodgings and restaurants in the United States, Canada, Mexico and the Caribbean. Evaluations are unannounced to ensure that the experience is identical to that of regular guests. Once the CAA/AAA approves an establishment for providing a quality experience, the organization rates it on a scale of one to five diamonds. Four-diamond properties make up only 3% of the total number of hotels and restaurants rated by CAA/AAA. For more information about CAA/AAA diamond ratings, please visit www.aaa.com/diamonds.
